HOW DOES UNITED IN CRISIS **ACCOMPLISH** THIS? BY BRINGING HOPE AND TRANSFORMATION TO THE WORLD

in times of crisis
(Eph. 4:11-13).

Shepherding every
person impacted by
crisis until they are back
on their feet in a safe
and clean home

OUR VISION

Every **Church** in Every **City**, **United** and **Ready** for Crisis so His way may be known on the earth and His salvation to the nations.

(Psalm 67)

OUR MISSION

Build a Christ-Centered, Global Church Network by Developing, Training, and Equipping Crisis Response Church Networks in every city to ultimately **Shepherd Individuals** Impacted by Crisis.

THE CHURCH, WHEN UNITED, HAS UNIQUE ACCESS

- WITH UNREACHED **SURVIVORS** IMPACTED BY CRISIS.
- WITH LOCAL, STATE, & FEDERAL **GOVERNMENT** FOR COLLABORATION & SUPPORT.
- WITH **BUSINESSES, MINISTRIES, & DONOR FUNDING**.

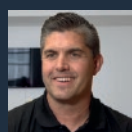

OUR GOAL IS TO REACH HUNDREDS OF MILLIONS OF PEOPLE AS THE GOOD SAMARITAN OF THEIR COMMUNITY THROUGH **COMPASSIONATE CARE & THE GOOD NEWS**.

"I don't know where our organization would be without the UIC Training Model. The training we received helped us to start our own CRCN, equip regular church members to provide emotional and spiritual care to people experiencing shocking life events, and bring practical solutions to address the needs of our community."

Jackie English,
Board Chairman
Highland Lakes Crisis Network

"Many local churches aren't prepared for crises at large levels. UIC is an anointed threshold for cities, where churches can get behind a purpose bigger than one church, get dirty with their hands and feet, and be a solution to someone else's problems."

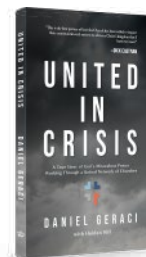

Ryan Kubicina,
Board Member
Midwest Ministers Fellowship
Senior Pastor
King's Family Church - Kansas City

OUR 2025 INITIATIVES

We believe God is calling United in Crisis to:

- Continue to maintain and build the current base of **two** UIC Crisis Response Church Networks in the world to **ten** by the end of 2025 (\$650,000).
- Launch two Global Training Centers (GTC), the required training infrastructure, and accommodations for new leaders attending their first 6-weeks of the 12-Month Advanced Training Program. GTC locations include: North America GTC in Greater Kansas City, Missouri and Africa GTC in Cape Town, South Africa (\$350,000).
- Initiate a marketing campaign to communicate UIC's vision to the world and engage with Christian city and business leaders, pastors, and existing church network leaders (\$150,000).
- Build UIC's Global Prayer Team to develop and implement spiritual strategies to prepare new territories before and after a CRCN is launched.
